

Hope Community Church

Phil and Karen Lundberg Memorial Scholarship Fund

Information & Application Form (Rev. November 2019)

Phil and Karen Lundberg – life-long members of Hope Community Church -- had a life-long missions focus, both internationally and locally, as well as a love for bringing up children in the way of the Lord. Thus, it is fitting to retain their namesake for this scholarship fund.

Fund Purpose

The purpose of this scholarship fund is to provide financial assistance to post-secondary (i.e., college) -- students from our church body who have demonstrated a heart for Missions and wish to pursue Missions field work or Vocational Ministry (domestic or internationally) that is in keeping with the doctrines of the Evangelical Free Church of America and Hope Community Church. This fund is also available to children of Missionary families directly supported by Hope Community Church; regardless of the student's post-secondary curriculum or major. Eligible students will have graduated from high school and are pursuing post-secondary education (i.e., college, community college, trade schools, apprentice positions) that could include theological education and specific individual goals to enter full-time ministry after graduation.

Students do not need to have a major such as "Missions." In current Missions, a Missionary is not a specific occupation. For example, at Trinity Western University, there is no major in "Missions," only a minor. Students pick up the major of their choice to combine with their minor to get prepared for entering the Missions field. (Even IT software as a major provides great opportunities to enter missions.)
