

So Will I (100 Billion X)

Hi Church!

You asked, so here they are! These are the lyrics to the song we introduced last Sunday called So Will I (100 Billion X). I was really encouraged by the response of so many of you about how the song spoke to you or encouraged you.

Here's some Scripture connected with this new song:

- Psalm 148 (This is the one I read on Sunday)
- Psalm 19 also speaks to creation praising God
- Luke 19:37 refers to Jesus being worthy of worship. He says if the people were silent even the rocks would cry out in worship.

My personal favorite line is from Verse 3 "On a hill you created, the light of the world abandoned in darkness to die". After walking us through the majesty of God's creation, we are reminded that Jesus died on a hill that he created, to offer himself for us. I think it's an incredible example of the reversal that took place at the cross.

Feel free to take a copy, and I hope it is a blessing however you plan to use it!

Verse 1

God of creation
There at the start before the beginning of time
With no point of reference
You spoke to the dark
And fleshed out the wonder of light

Chorus 1

And as You speak
A hundred billion galaxies are born
In the vapor of Your breath the planets form
If the stars were made to worship so will I
I can see Your heart in everything You've made
Every burning star a signal fire of grace
If creation sings Your praises so will I

Verse 2

God of Your promise
You don't speak in vain no syllable empty or void
For once You have spoken
All nature and science
Follow the sound of Your voice

Chorus 2

And as You speak
A hundred billion creatures catch Your breath

Evolving in pursuit of what You said
If it all reveals Your nature so will I
I can see Your heart in everything You say
Every painted sky a canvas of Your grace
If creation still obeys You so will I

Bridge

If the stars were made to worship so will I
If the mountains bow in reverence so will I
If the oceans roar Your greatness so will I
For if everything exists to lift You high so will I
If the wind goes where You send it so will I
If the rocks cry out in silence so will I
If the sum of all our praises still falls shy
Then we'll sing again a hundred billion times

Verse 3

God of salvation
You chased down my heart
Through all of my failure and pride
On a hill You created the light of the world
Abandoned in darkness to die

Chorus 3

And as You speak
A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender so will I
I can see Your heart eight billion different ways
Every precious one a child You died to save
If You gave Your life to love them so will I
Like You would again a hundred billion times
But what measure could amount to Your desire
You're the One who never leaves the one behind
